

Korean Traditional Game !!

What are traditional games?

These are traditional games that reflect on the lives of the Korean people. There are different types of games that were generated over the years throughout different regions of Korea. It was handed down over time.

Let's play Tuho!

Tuho is a traditional Korean game that requires players to throw sticks into a large canister.

How to Play

1. Divide into two teams.
2. Each team has same amount of arrows.
3. Draw a line 1~2meter apart from the canister.
4. Throw an arrow before the line.
5. Count how many arrows are there in the canister.

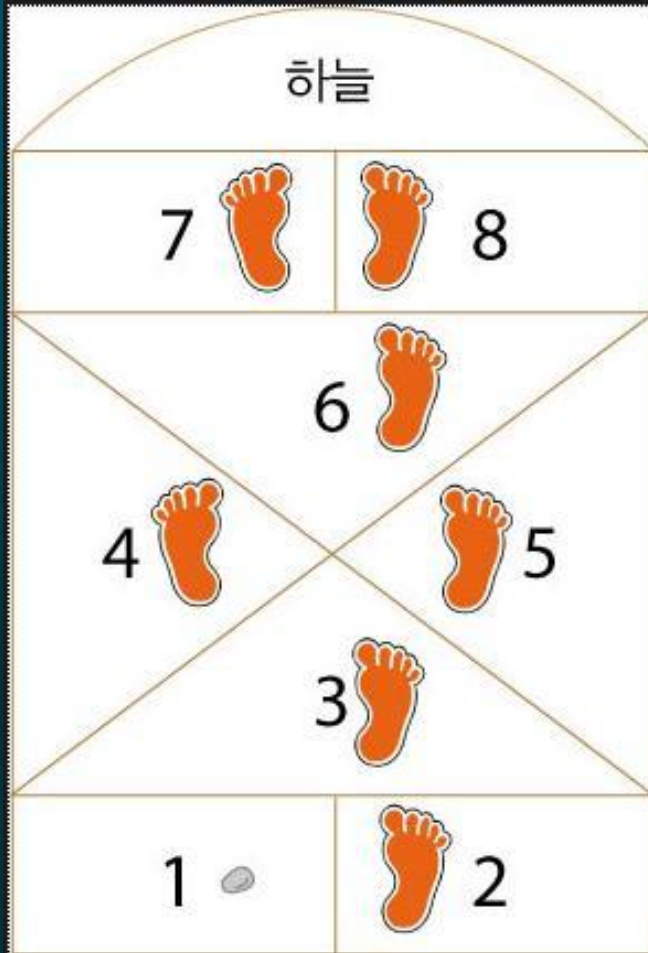

What is Sabang-Chigi?

Hopscotch is a children's game that can be played with several players or alone.

Players toss a small object onto numbered spaces of a pattern of rectangles outlined on the ground and then hop or jump through the spaces to retrieve the object.

Let's play Sabang-Chigi!

How to Play

1. Throw a stone on 1.
2. Step on the (1,2), (4,5), (7,8) by feet, but you can step on the 3, 6 by one foot. Don't step the place in which stone is placed.
3. pick up the stone at the following number.
4. If you died at(out of) the 2, upcoming your turn you can restart at 2.
5. If you success(complete) the 1, you can continue next number(2, 3,...).
6. If you success(complete) to the 8, go to sky and kick up the stone on the top of your foot. Then pick up the stone, come back.
7. If you success(complete) to the sky, you can throw overhead any site by turning back.
8. The site in which the stone is placed is your site(yours). You can mark on your site and you can step on feet.
